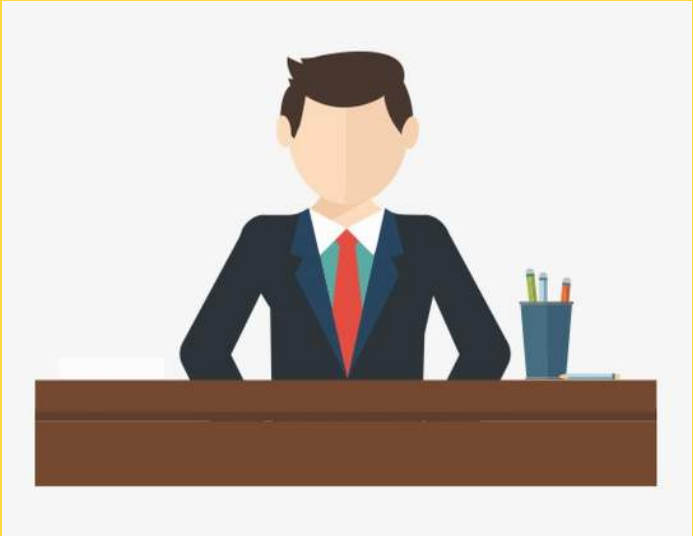
THE PRESIDENT'S MESSAGE

"Hello Pillar Family! I hope you, your family and friend are all doing well. Please ensure to be extra cautious during these unprecedented times. COVID-19 has impacted us all and will continue to do so going into the New Year. We as a company have taken all appropriate measures stipulated by the Ontario Government. You are all front line workers, and during these times, Pillar will continue to support you the best way possible. Let us continue to do our best and close out this year strong. It has been a transformational year for Pillar. We thank you again for your continued excellence while performing your duties."



COACHING AND SUPPORT

OPERATIONS TEAM

The Operations Team has been very busy ensuring that all our guards have all the necessary documents available to them at the Security Desk. Post Orders have been updated, and key performance documents have been made available to all Site Supervisors! Specialized training sessions are occurring weekly where members of the operations team are providing coaching and guidance. Please remember that Pillar Managers work to support the guards! Should you have any questions or concerns, reach out to the 24/7 Dispatch Team or reach out to us anytime.
